

# READ THROUGH THE BIBLE IN A YEAR

By Pastor Vincent Imwensi

Living Word Revival Ministries ([www.lwrm.org.uk](http://www.lwrm.org.uk))

This is a programme to help you read through the entire Bible **1<sup>1</sup>/<sub>2</sub> times** in a year. If you follow it, you will read through the Old Testament once and twice through the New Testament in one year.

## JANUARY

It's designed to start from January and finish in December but you can start at any time – just make sure you complete a year. E.g. If you start in April, you will finish in March next year, etc.

### For Best Results:

- Tick against each day as you read
- Take time to meditate on what you have read
- Jot down the key things that God ministers to you each day (so get yourself a notebook or Diary for this purpose).
- Remember to always pray for illumination and understanding each time you open God's word.
- Realize that personal discipline is an essential ingredient to achieving your goal.
